

FARMVILLE CHAMBER OF COMMERCE AND VISITOR CENTER

Thank you for your interest in becoming a member of the Chamber of Commerce. This is an exciting time in Farmville as we build upon our long-standing heritage centered around our roots in agriculture, a foundation of religion, and emphasis on industry. We are beginning an enriched journey as a community with a refreshed emphasis on innovation, entrepreneurship, and the arts, which organically help to enhance our local economic development efforts. As a forward-thinking organization, the Farmville Chamber of Commerce would like to inspire an environment where all businesses and non-profits thrive, and our community prospers.

Our goal is to help member businesses understand the value of connection. Through our growing network of members, members are able to celebrate ribbon cutting ceremonies that highlight exciting new businesses, promote their own business events, along with enjoying online promotion on our website and social media. As an active chamber, members benefit from a wealth of additional marketing opportunities, such as sponsorships, group advertising, and special events. Our "Business After Hours" events provide a chance for members to network with fellow businesses and community members, increasing the visibility of your business.

To join the Chamber, please complete the membership form. If you have any questions, feel free to call or email me, or stop by the office. Thanks again for your interest in the Farmville Chamber of Commerce.

Sincerely,

Millissa Alexander

FARMVILLE CHAMBER OF COMMERCE AND VISITOR CENTER

The Farmville Chamber of Commerce strives to promote and support our local businesses in a variety of ways. We would be delighted to help your business make its presence known in our community and our county with a **Ribbon Cutting Ceremony**. To participate in a Ribbon Cutting Ceremony, your business must meet one of the following criteria:

- Your business is an active member of The Chamber.
- Opened its doors anytime in the last three years.
- Changed ownership or welcomed new management in the last three years.
- Moved to a new location in the last three years.
- Expanded or significantly remodeled at the current location in the last three years.

Even if you have been here for more than two years or made a significant change to your business in the last few years, you are still eligible to hold a Ribbon Cutting ceremony. ***THERE IS NO COST TO HAVE A RIBBON CUTTING EVENT AND THE CHAMBER WILL PLAN, CONDUCT AND PROMOTE IT.***

A Ribbon Cutting Ceremony offers you an opportunity to officially announce your presence in the community and receive publicity and promotion for your business. The ceremony is also a celebration of your connection to the Chamber and to Farmville, and it highlights your participation in the business activities of the town.

The Farmville Chamber of Commerce will conduct the Ribbon Cutting Ceremony, which includes a few words spoken by the Mayor and/or a town official, as well as the Executive Director of the Chamber of Commerce and/or a member of the Chamber Board of Directors. ***The business owner is then asked to make a few comments.*** The Chamber will request that the newspaper is present to cover the event. Pictures also will be taken to post on social media.

Scheduling the event with the Chamber should occur a few weeks prior to the event to provide ample time to contact the newspaper and arrange for two to three officials to attend the event. The Chamber will provide the ribbon and scissors.

Farmville is always looking for ways to welcome new businesses and celebrate their successes! For more information or to join the Chamber, call or email Millissa Alexander, Executive Director of the Farmville Chamber of Commerce and Visitor Center at 252-753-4671 or millissa@farmvillencchamber.org.

We look forward to hearing from you.
